

## DIGITAL ASSETS AND ACCOUNTS

My digital assets and accounts will be distributed as part of my residuary estate. For the purposes of this Will, digital assets mean electronic assets on both my computer and online. This includes but is not limited to email, social accounts, websites, photos, and virtual property. There is one or many listed digital assets which include Asset Name, Login & Password, Primary Choice, Alternate Choice and description of asset.

This is a non-testamentary document, and as such, this document should be excluded from public availability.
